The Georgia Institute of Technology, also known as Georgia Tech, is one of the nation's leading research universities, providing a focused, technologically based education to more than 20,000 undergraduate and graduate students. Georgia Tech has many nationally recognized programs, all top-ranked by peers and publications alike, and is ranked in the nation's top ten public universities by U.S. News and World Report. It offers degrees through the Colleges of Architecture, Computing, Engineering, Management, Sciences, and the Ivan Allen College of Liberal Arts. As a leading technological university, Georgia Tech has more than 100 interdisciplinary research centers that consistently contribute vital research and innovation to America's government, industry, and business.
